MEMORANDUM FOR: Comptroller

SUBJECT : Identification of CIA Personnel on W-2 Forms

REFERENCE : Memorandum to Comptroller (and others) from Acting Deputy Director (Support) dated 2 February 1960, same subject

1. On the official routing slip transmitting reference you requested advice as to the approximate number of employees in TAS who could be given W-2 forms showing CIA as their place of employment. Based upon the criteria set forth in reference for personnel to be excluded from such number, namely, [REDACTED] it is believed that only one present Staff member probably should be excluded based upon his age, i.e., [REDACTED]

[REDACTED] However, it is believed that all regular Staff members normally should be susceptible for assignment [REDACTED] therefore, ordinarily no regular TAS Staff member should be included on the list for issuance of W-2's as employees of CIA.

2. With respect to the present clerical employees on the Staff, perhaps one individual might be included on the list for issuance of W-2's as CIA employees, namely [REDACTED] since this individual is married to a non-CIA employee. [REDACTED] is married to a CIA employee and perhaps at some time would be interested in [REDACTED] assignment. The other two clerical employees, while not at present old enough for assignment [REDACTED] may eventually desire same.
